Dear Mr. Williams:

As per our conversation on November 8, 2007 verbal approval was given to proceed with closing the LANGLIE MATTIX PENROSE SAND UNIT #602, LANGLIE MATTIX PENROSE SAND UNIT #603 and the LANGLIE MATTIX PENROSE SAND UNIT #154. TALON/LPE and LEGACY RESERVES would like to have written approval to proceed with closure using a 40 mil liner in the bottom of the pit and then backfilling. If you would please sign this letter to show that approval was given that would be greatly appreciated.

Respectfully Submitted,
