Dear Mr. Carlile:

Per your email to Chris Williams, stating that the referenced wells will not be drilled due to an offsetting dry hole and asking that we cancel these intents to drill. Oil Conservation Division, Hobbs office at this time are canceling the five API numbers listed above.

Copy of email is attached.

Chris,

Please delete the referenced wells from Fasken Oil and Ranch, Ltd.'s (151416) Total Well Count. Theses wells were permitted in July 2007 but will not be drilled due to an offsetting dry hole. Direct any questions to me at (432) 687-1777.
