LETTER OF VIOLATION - INSPECTION
LEA COUNTY, NM

The above referenced well was acquired by CML Exploration, LLC from ConocoPhillips Company on October 19, 2009. A workover was promptly started on November 5, 2009 to repair the casing problems and return the well to productive status. The workover continued until January 12, 2010 and gas sales began on January 14, 2010.

Please schedule this well for re-inspection and notify us at your earliest convenience.

If you want to call and discuss any of these issues, contact me at 325-574-6295 or e-mail vonroedern@cmlexp.com.
