			<input type="checkbox"/> Other _____

13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Judah Oil, LLC proposes to run tubing, rods, and down hole pump in well and return well to production. We intend to return to production by December 1, 2010. Condition pending upon NMOCD approval of Change of Operator.

COA
As per 43CFR3162.4-1(c) Notify this office within 5 days of well being placed on production and submit daily well production volumes on sundry notice. Provide verification that well is capable of producing in paying quantities.
