Re: Federal "G" #1-G, Sec. 31, T9S, R36E

Gentlemen:

It has come to our attention that you are currently  
utilizing the above referenced well as a producing oil well.

Prior to assigning an allowable to this well, we need the  
following:

1. A subsequent report showing the steps necessary to  
convert the well from a salt water disposal well to a  
producing well.
2. Form C-104 to authorize transporters to move materials.
3. Form C-116 (G-O-R) to establish rate of production. *Rec'd 10-21-92*

To facilitate speedy processing of this transfer, please  
send the C-104 and C-116 to this office along with a copy of  
the sundry notice sent to the BLM.

If you have any questions, please feel free to contact this  
office.

Very truly yours

OIL CONSERVATION DIVISION
