	<input type="checkbox"/> Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Unocal request authorization to convert Federal "G" #1 from a salt water disposal well to an oil producer. The offsetting Federal "D" lease has one producer - Well No. 1. Recent tests have proven that "G" #1 will back flow 45 BOPD + 0 BOPD. A production survey and fingerprint analysis have determined that the oil from "G" #1 and "D" #1 is from the same zone.

14. I hereby certify that the foregoing is true and correct.
