Gentlemen:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission has made an inspection of the location for your plugged and abandoned A. J. Crawford No. 1 in Unit L of Section 14, T-10-S, R-36-E. He found that the dead men wires have not been cut, the pits have not been levelled and that there are barrels on the location.

Please advise this office when the location has been restored to its original condition so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
