Oil Conservation Commission
Hobbs, New Mexico

Gentlemen:

Reference is made to a dry hole which has been drilled by Fred Pool as drilling contractor. The land owner under this well is Mary S. Hooper, mother of the undersigned, and the well is situated in the NW¹/₄ NW¹/₄ Section 15, Township 11 South, Range 36 East, Lea County, New Mexico.

In view of the fact that a possible water-bearing sand was encountered in this well at a relatively shallow depth, we are requesting on behalf of the land owner that Mr. Pool be allowed to abandon the well without the use of a tophole plug. The undersigned and the land owner will assume responsibility for the well in this regard, and you are respectfully requested to furnish the operator with proper release by the Commission in connection with the rules covering plugging and abandoning of wells.

Very truly yours,
