Mr. J. D. Sadler, Agent  
G. E. Hall  
Box 1847  
Midland, Texas

Dear Mr. Sadler:

An inspection has been made of the location for your plugged and abandoned Shell State No. 1 located in Unit A of Section 24, T-11-S, R-37-E and it was found that the location has not been inscribed on the marker and the dead men wires have not been cut.

Please advise this office when these things have been done in order that a final inspection may be made.

Further, before Form C-103, Report of Plugging, can be approved it will be necessary for you to submit Form C-105, Well Record.

Yours very truly,

OIL CONSERVATION COMMISSION
