Great Western Drilling Co.
Box 1659
Midland, Tex.

Gentlemen:

We have received Form C-110 for the U. S. Brown No. 1 in Unit M of Section 18, T-9-S, R-38-E which shows the operator to be Great Western Drilling Co. A check of the file for the well indicates, however, that nothing has been filed changing the operator from George P. Livermore, Inc. We shall appreciate your filing Form C-110 showing this change of ownership so that our files will be in order.

Yours very truly,

OIL CONSERVATION COMMISSION
