Gentlemen:

Attached are Forms C-104, C-110 and C-128 regarding the completion and request for allowable on the Rowan Oil Company No. 1 Federal well, Section 33, T-9-S, R-38-E, Lea County, New Mexico.

We are currently preparing a plat and cross section of the structural relationship between the subject well and the Buck Shot Field in Cochran County, Texas, which we will forward to you upon completion. In the meantime, it would be appreciated if this well could be assigned an allowable to allow us to clear our storage and keep the well on production.

Should additional information be needed regarding this well, please advise.

Yours very truly,

ROWAN OIL COMPANY
