Re: State "B", Well #1
Inbe-Penn Field
Lea County, N. Mexico

Gentlemen:

Attached for your information and file are six (6) copies of Form C-105, Well Record, on subject well. This form was delayed, awaiting the outcome of a recent acid job performed on subject well. On April 3, this well was given a "Dolo-Frac" acid job by the Western Company and presently gives indications of being a good producing well.

If there is any question on the above or the attached, please contact our Houston office.

Yours very truly,

SOUTHERN NATURAL GAS COMPANY
