North Bagley Permo Penn Pool

Gentlemen:

It has been called to my attention that you are filing your Monthly Operator Report, Form C-115, under the name of Jim Conine, Inc. Our records show the operator of record is J. H. Conine, Jr. covered under plugging bond #104E5306 filed December 30, 1977. Your C-115 report should be filed under the same name as your plugging bond.

Also, our records show the oil transporter as Amoco Pipeline Company and you are reporting Getty as your oil transporter. If Amoco Pipeline is not your oil transporter a C-104 should be filed to reflect the correct transporter. (Getty is no longer a transporter -- their name was changed to Texaco Trading and Transportation).

Very truly yours,

OIL CONSERVATION DIVISION
