Gentlemen:

We have received one copy of Form C-128 outlining an 80 acre unit to be dedicated to each of your wells in the Flying M San Andres Pool. Please furnish us with another copy in order that we may forward it to our Santa Fe office.

You did not file Form C-128 showing an 80 acre dedication for your Consales Federal No. 1-29, however, and before an allowable can be assigned, it will be necessary that you submit one. Also, we are returning the lists of deviation surveys for notarization.

In checking our files we find that we have approved Forms C-101 for your Skelly State No. 4 at two different locations. If one of these locations was abandoned in favor of the other, please submit Form C-103 so indicating.

Yours very truly,

OIL CONSERVATION COMMISSION
