17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The 5 1/2" Casing Collapsed at 7160'. We tried to get thru this portion and were unable to do so. Went on plan to set a 35 sack Cement Plug from 7155' to 7000', shoot off 5 1/2" Casing at 6055', and pull out. We will then cap well and temporarily abandon until we can decide on the possibility of sidetracking and recompleting.

Set retainer + squeeze thru collapsed zone with 300 sacks cement

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
