Re: White "A" State Well #2  
Unit A, Section 15-T10S-R32E  
Lea County, New Mexico

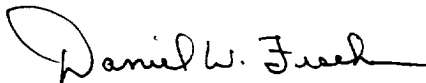

Dear Mr. Sexton:

Enclosed is a Form C-103 filed as a notice of intention to plug and abandon the White "A" State Well #2. The notice is filed showing Chaparral Energy, Inc. as operator of the well. Chaparral understands that according to the Oil Conservation Division records, Monarch Corporation is still the operator of this well. However, Chaparral acquired most of the assets of Monarch Corporation including the right, title and interest to the White "A" State Well #2. It is my understanding Monarch Corporation no longer exists. It is our hope that the Oil Conservation Division will allow Chaparral to act as operator for the purpose of plugging this well.

Upon receiving approval of the plugging procedures from the Oil Conservation Division, Chaparral will proceed to secure bids and plug and abandon this well.

If additional information is required, please contact me at (405) 749-9992.

Respectfully,

Daniel W. Fischer  
Petroleum Engineer
