Gentlemen:

I have examined the application dated 9/28/65

for the David Fasken Felmont Collier #1 9-11-33
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

Baker Model "J" needs only 10 inches travel to disengage and equalize fluid.

Recommend careful thought before approving use of this packer as a pack-off
packer at this depth.---E.F.E.

O.K.---J.W.R.

Yours very truly,
