(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was T.A. on November 5, 1974, because it had declined in oil production and was no longer economical to produce. At the present time it is still T.A.

The Oil and Gas Operating Regulations provide that any well not used or useful for purposes of the lease should be plugged and abandoned. A Notice of Intention to Abandon must be filed for approval prior to commencing any plugging work.
