HARRIS STATE #4, UNIT O, S23-T10S-R32E

Gentlemen:

The Hobbs District I OCD office had been advised that repairs had been performed on the above wells bringing them into compliance with OCD rules and regulations.

According to our wellfile records we have not yet received a Sundry C103 stating repairs and/or mechanical integrity tests on either well above.

If your office has submitted information indicating that this has been done please contact the Hobbs office.

We would appreciate your prompt attention to this matter.

Sincerely,

Chris Williams
