Gentlemen:

Attached for your approval is Form C-101 application to drill our State Tract OG-4303 No. 2X. This is a replacement well for our State Tract OG-4303 No. 2 which has been plugged and abandoned because of collapsed casing. Please note that this well is to be drilled in NW/4 NW/4 Section 35, T-10-S, R-33-E, Lea County, New Mexico. This acreage was previously dedicated to State Tract OG-4303 No. 1. Also attached is acreage dedication plat to change the dedicated acreage for Well No. 1 to the E/2 NW/4 Section 35 instead of the N/2 of NW/4 Section 35.

Yours very truly,

TENNECO OIL COMPANY
