17. Describe Progueed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Forms C-103 and C-104 dated March 3, 1972 were filed in accordance with a letter agreement between Amerada Hess Corporation and D A & S Oil Well Servicing, Inc. which specified that if the work proposed on Form C-103 was performed that an assignment of the acreage would be forthcoming from Amerada. Additional studies by D A & S revealed that said work would not be economically feasible and requested that Amerada cancell the letter agreement.

This is filed to request that Forms C-103 and C-104 approved March 6, 1972 be made null and void.
