Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

As soon as our pulling unit can be freed up in Chaveroo Field, we plan to take it across to this lease. We will then pull everything, inspect and replace all necessary parts to return to production. We believe what is needed is a new pump. Hopefully within 4-8 weeks it will be back in working order.
