Attention: Mr. Joe D. Ramey

Dear Mr. Ramey:

Enclosed are five copies of Authorization to Transport Oil and Natural Gas (Form C-104) pertaining to our Barnes Federal lease located in the Bough Permo Penn Field, Lea County, New Mexico.

As indicated on the forms, we need a special allowable of 650 barrels in order to dispose of the power oil in storage. We also have approximately 600 barrels of oil in storage that we plan to sell; however, this is covered by previous allowables. We do not plan to replace the power oil as we are making preparations to abandon this lease.

Yours truly,

TENNECO OIL COMPANY
