- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, forced pooling, etc.?

Yes

If answer is "No," list the acreage and descriptions which have actually been consolidated. (Use reverse side of this form if necessary.)

No allowable will be assigned to the well if such interests have been consolidated by communitization, unitization, forced pooling, etc., otherwise the lease is straddled and, eliminating such interests, has been approved by the Commission.
