Re: Proposed NSP X
 Proposed Triple _____
 Proposed NSL X
 Proposed NFO _____
 Proposed DC X

Gentlemen:

I have examined the application dated 10/17/66

for the Texaco, Inc. J. H. Moore #4-C 25-11-32
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

Dual Equipment O.K.---J.D.R.

This well is a Wolfcam-Wolfcamp completion, (Top Wolf. @ 8080'--Top Penn @ ±8780') with dual pool and acreage dedication. Recommend the Moore Wolfcamp be split into two pools (upper & lower). Will have to go to hearing as a 1st dual in a new pool----J.W.R.

Yours very truly,
