Baum "D" State #1-J (1980/S & E)  
Section 4, T14S, R33E  
Lea County, NM

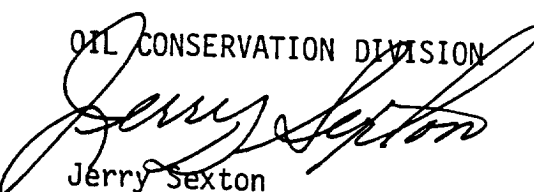

Gentlemen:

More than six months has elapsed since Form C-101, your intention to directionally drill and recomplete the above-referenced well at a new bottomhole location was approved.

If any work was done toward this recompletion, please file necessary forms. Otherwise, we will consider this application cancelled. Should you at a later date desire to do this work, you will need to resubmit Form C-101 for approval.

Very truly yours,

OIL CONSERVATION DIVISION
