Re: Well Connects
Tatum Basin Field
H. E. Yates Company

Dear Ms. Carpenter:

Pursuant to our telephone conversation this afternoon, this is our Notice of Well Connect.

On May 1, 1984, State Gas Pipeline Company connected and flowed gas from the Richardson Unit #1 Well and the Duncan Unit #3 Well. On May 24, 1984, the Duncan Unit #2 Well was connected and gas was flowed. All of the above gathered gas is delivered to Llano, Inc. at their McDonald North Station.

I apologize for the delay in making this connection report.

Very truly yours,
