RE: EIDSON A WN #3 UNIT L, S26-T16S-R35E

Attn: James Newman

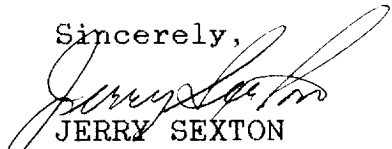

The above referenced well has recently been inspected by an Oil Conservation Division Field Representative in an attempt to release the location.

However, before the location can be released, the following items need to be completed.

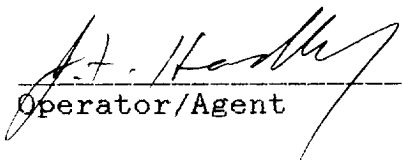

1. Remove eye bolt head in cement base

When the above work has been done contact Jerry Sexton at 505-393-6161 or sign this letter below and return it to the address stated above.

Sincerely,

  
JERRY SEXTON  
District I Supervisor
