Dear Sir:

We have been advised by the State Land Office that the 160 acres dedicated to your Pan American "7" State No. 1 located in Unit K of Section 7, T-16-S, R-32-E consists of two separate state leases. It will, therefore, be necessary for you to communitize this acreage immediately or we will be forced to cancel the allowable for the well. You may contact Mrs. Marian Rhea with the State Land Office in Santa Fe regarding the communitization.

Since this is a communitized tract we will change our records to show the lease name to be "Pan American 7 State Com" and you should change your records to correspond. All future reports should be filed under this lease name.

Yours very truly,

OIL CONSERVATION COMMISSION
