Re: North Townsend Unit No. 1
Unit E, Sec. 36, T-15-S, R-34-E
Lea County, New Mexico

Dear Mr. Pullig:

Attached is a copy of Form C-103 for the subject well. However, since the filing is so delinquent, the form has been stamped "For Record Only" rather than being signed and approved.

We also wish to call to your attention that since the bottom perforations are only temporarily abandoned, they will have to be permanently plugged if and when the well is plugged and abandoned.

Yours very truly,

OIL CONSERVATION DIVISION
