Dear Sir:

We enclose herewith form C-102 to cover work we contemplate on our State "D" #1, Hobbs Field. This outlines our plan of work in shooting this well as nearly as can be determined at the present time. This form is being sent to you to conform with the instructions of the Oil Conservation Commission.

We would appreciate your immediate attention to this matter, as we would like to start this work immediately.

Very truly yours,

SANDAN OIL CORPORATION,
