Dr. E. H. Wells  
State Geologist  
Santa Fe, New Mexico

Dear Dr. Wells:

This is in regard to a bond to cover the drilling of the Moon #1-B Well, NE $\frac{1}{4}$  of Sec. 28, T. 18 S., R. 38 E., by J. P. Cusack, Inc.

As you know, Mr. Cusack has a surety bond in the amount of \$5,000.00 on file which covers his Moon #1 Well which is also in the NE $\frac{1}{4}$  of Sec. 28, T. 18 S., R. 38 E. Now, Mr. Cusack wants to know if his bond will cover the drilling of his Moon #1-B Well since it is in the same quarter section of land. If not, he would like to get a personal blanket bond.

I would suggest that you take this matter up with Mr. J. P. Cusack, Box 208, Midland, Texas, directly.

Very truly yours,

P. S. Enclosed is the form SG-101 "Notice of Intention to Drill New Well" for the above mentioned well which is for your files.
