Gentlemen:

This is to advise that on October 26, 1982 the C.W. Trainer Co.'s Corbin #1 -Wolfcamp gas well located in Unit N of Section 20, Township 18-S, Range 33-E, Lea County, New Mexico was temporarily disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to request by the operator and inability of the well to produce into El Paso's Lusk Gathering System.

Yours truly,
