Gentlemen:

It has come to my attention that the proper paper work was not filed by Terra Resources to complete our records for the above-referenced well drilled in 1988. I believe that Pacific Enterprises took over operations for Terra Resources so we are contacting you for assistance.

According to our file we authorized a verbal plugging procedure October 31, 1988, and we have not received any paper work indicating the well was plugged.

In order that we may clear this file, please file the following items with this office:

- 1) C-10~~4~~ showing change of operator from Terra Resources to Pacific Enterprises
- 2) C-105 - Well Completion Report
- 3) Notarized Deviation Survey (2 copies)
- 4) One complete set of logs
- 5) C-103 - Subsequent plugging report

Your assistance in clearing this matter will be greatly appreciated.

Very truly yours,

OIL CONSERVATION DIVISION
