Re: Pearsall Queen Unit Tr. 2 #1-C and Tr. 2A #2-K,  
Sec 5, T18S, R32E

Gentlemen:

We request that you take immediate steps to repair or plug and abandon the two above referenced wells. Please submit your proposal for either the repair or plugging of these wells as soon as possible.

We are enclosing pictures showing the condition of the locations.

We request 24 hours notice prior to either procedure in order to witness the operation.

Very truly yours

OIL CONSERVATION DIVISION
