Gentlemen:

Your application for permit to drill the above-referenced well has been received from the BLM. It is noted the permit was filed as a "wildcat" Wolfcamp. However, this location is within a mile of two Wolfcamp Pools, the South Corbin Wolfcamp Pool (80-acre spacing) and the Young-Wolfcamp Pool (40-acre spacing). As discussed with Paul Katuz, OCD Geologist, this well will come under the Young Wolfcamp Pool.

If you have further questions concerning this, please feel free to contact us.

Very truly yours,

OIL CONSERVATION DIVISION
