Re: L.C. 058228

ATTENTION: Mr. Ellis H. Scobey

Gentlemen:

Reference is made to your well No. 1 Loomis, located in the NE $\frac{1}{4}$ NW $\frac{1}{4}$, section 23, T. 20S., R. 33E., Lea County, New Mexico, which was properly plugged and abandoned last April, 1947.

When you submitted a well log on our form 9-330 last February 3, 1947, it failed to include the formation record from 0 to 1000 feet. When a representative of your company visited this office prior to the plugging of the well we requested that you furnish us with a supplemental log giving the formation from 0 to 1000 feet. Our records do not indicate that we have ever received the additional information.

Your prompt attention in submitting this information will be greatly appreciated.

I remain,

Very truly yours
