Attn: D. E. Bratton

AMENDED  
Administrative Order NSP-30

Dear Mr. Bratton:

Administrative Order NSP-30, dated October 28, 1954, authorized a 160-acre non-standard gas proration unit for the Eumont Gas Pool, consisting of the W/2 NE/4 and N/2 SE/4 of Section 26, Township 20 South, Range 36 East, NMPM, Lea County, New Mexico, to be dedicated to the Federal Elliott Well No. 2 located 2310 feet from the South line and 1650 feet from the East line (Unit J) of said Section 26. On April 17, 1978, Division Order No. R-5708, further authorized simultaneous dedication of this acreage to the aforementioned Well No. 2 and to the Elliott Federal Well No. 1 located at an unorthodox gas well location 2310 feet from the South line and 330 feet from the East line (Unit I) of said Section 26.

Per your letter dated February 27, 1987, it is my understanding that said Well No. 1 has been reclassified as an "oil well" and was subsequently assigned a 40-acre oil proration unit, comprising the NE/4 SE/4 of said Section 26, pursuant to Rule 2(a)2 of the Special Rules and Regulations for the Eumont Gas Pool as promulgated by Division Order No. R-8170, as amended.

By authority granted me order the provisions of Rule 2(a)4 of said Order No. R-8170, Administrative Order NSP-30 shall be amended, and your application for a 120-acre non-standard gas proration unit in the Eumont Gas Pool comprising the W/2 NE/4 and NW/4 SE/4 of said Section 26 to be dedicated to the Elliott Federal Well No. 2, as described above, is hereby approved.

MAR 20 1981  
OCE  
ROBERTS OFFICE

Furthermore, Division Order No. R-5708 is hereby stayed until further notice.

Sincerely,

WILLIAM J. LEMAY  
Director

## INSTRUCTIONS

1. Is this gas well a dual completion? Yes      No x
2. If the answer to Question 1 is Yes, are there any other dually completed wells within the dedicated acreage? Yes                      No

A separate plat must be filed for each gas well, outlining the area dedicated to such well and showing the location of all other wells (oil and gas) within the outlined area.

Mail in duplicate to the district office for the district in which the well is located.
