THE HISTORY OF THE CITY OF BOSTON

The city of Boston, situated on a peninsula in the State of Massachusetts, was first settled by English colonists in 1630. It was founded by a group of Puritan ministers and laymen who sought to establish a community based on their religious beliefs. The city grew rapidly, becoming one of the most important centers of commerce and industry in the eastern United States. It was the site of many significant events, including the Boston Tea Party and the Battle of Bunker Hill. The city's history is a testament to the resilience and spirit of its people.
