Dear Mr. Key:

Please refer to my letter of November 8, 1957 concerning your Amerada State "B" No. 3-J, 25-22-37, and the Amerada State "B" No. 4-O, 25-22-35. Also your letter of November 12 which stated that within 10 days this office would be advised of the work performed on the above named wells.

I wish to advise you that to this date no reports have been filed on your Amerada State "B" No. 4 well other than Form C-101 although it is my understanding that the well is temporarily abandoned at 3,878 feet.

By return mail please file all necessary reports and indicate the present status and plans for this well.

Yours very truly,

OIL CONSERVATION COMMISSION
