Re: Application for Single Tubingless
Completion, A.H. Blinebry (NCT-4)
Well No. 3, Blinebry (Oil) Pool,
Lea County, New Mexico.

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

TEXACO Inc. respectfully requests Administrative approval of an exception to New Mexico Oil Conservation Commission Rule 107(e) for its A. H. Blinebry (NCT-4) Well No. 3. This well is a single tubingless completion in the Blinebry Oil Pool and is located 2100 feet FEL and 700 feet ESL of Section 31, T-22S, R-38E, Lea County, New Mexico.

The production casing string consists of 2-7/8 inch O.D. tubing set at 7975 feet in a 7-7/8 inch hole. Completion is through perforations from 5545 to 5785 feet in the Blinebry Formation. Only minor, controllable corrosion and paraffin problems exist and the well is a pumping completion.

The captioned well was initially drilled to the Ellenburger Formation in October, 1963 and completion attempts in the Ellenburger Formation in November, 1963 resulted in a dry hole. Subsequently a completion attempt in the base of Permian (Simpson) Formation also resulted in a dry hole in November, 1963. Cast iron bridge plugs are set in the 2-7/8 inch tubing (casing) above the Ellenburger and Simpson thus isolating those intervals from the present completion zone in the Blinebry. The down-hole installation is schematically described on the attached diagrammatic sketch.

The Blinebry oil zone has been approved by the New Mexico Oil Conservation Commission as a tubingless completion in multiple completions in this area. An instance is Order No. MC-1537, TEXACO Inc., A. H. Blinebry (NCT-4) Well No. 5 located in Unit N of Section 31, T-22S, R-38E.

In addition to the attached diagrammatic sketch of tubingless completion, also accompanying this request is a plat showing the location of all wells on the A. H. Blinebry (NCT-4) Lease and all offset wells along with the names and addresses of all offset operators. A copy of this request is being sent this date to all offset operators by registered mail.

Your early consideration of this request would be greatly appreciated.

Yours very truly,

W. E. Hubbard
District Superintendent
