

3/7/03

It appears that this well was turned over to the USBS for use as a groundwater level monitoring well.

Called USBS-Carlsbad and they referred it to the Albuquerque Office. 3/7/03 - Waiting on returned call.

Talked to Roy Cruz @ USBS - 3/17/03
Still using the well. Carlsbad office will inspect. Use the well to monitor Capitan ^{water.}
Reet ~~water~~. CWL
