Subject Well: No. 1 North Custer Mountain Unit, 660 FNL and 1980  
FNL Sec. 28, Township 23 South, Range 35 East,  
Lee County, New Mexico

Gentlemen:

The New Mexico District, Water Resources Division of the United States Geological Survey, agrees to accept all responsibility incidental to the subject well including the future plugging of the subject well in accordance with the New Mexico Oil Conservation Commission's Regulations, without additional cost to Bass Brothers Enterprises, Inc., provided that:

Bass Brothers Enterprises, Inc., agrees, as evidenced by the signature of an authorized representative, to give and transfer all of their rights, title and interest in the subject well, including any rights of ingress and egress to the subject well which may be owned by Bass Brothers Enterprises, Inc., together with the casing in the subject well, to the New Mexico District, Water Resources Division of the United States Geological Survey, for use as a water-level observation well. Bass Brothers Enterprises, Inc., further agrees to plug the subject well back to 12,340 feet in accordance with the New Mexico Oil Conservation Commission's Regulations, thus leaving approximately 500 feet of uncased hole.

Yours truly,

William E. Hale  
District Chief  
U.S. Geological Survey  
Water Resources Division  
Albuquerque, New Mexico
