Attached as Exhibit A is a plat which shows the subject spacing unit for this well and all adjoining spacing units or leases.

On or before the date on which this application was filed with the Division, a copy of this application with all attachments was mailed to each of the affected parties, identified on Exhibit B, by Certified Mail--Return Receipt Requested. Each of the affected parties was advised that if they have an objection to the proposed non-standard spacing or proration unit it must be filed in writing with the Division's Santa Fe office within twenty days from the date notice was sent. They were also advised that if no objections were received by the Division within twenty days, the Division Director could approve the application.

Your attention to this application is appreciated.

Very truly yours,

William F. Carr  
Attorney for Raptor Resources, Inc.
