Dear Mr. Brown:

In reply to your letter,

Lea County, New Mexico.

As this is on federal land we appricate copies of reports you make to the U. S. G. S.

The only forms that the Oil Conservation Commission requires are the state Form C-104 "Request for Allowable", the state form C-110 "Certificate of Compliance and Athorisation to Transport Oil" and a copy of the federal form 9-330 which is their well log form. The state well log form is C-105.

In closing please find copy of Oil Conservation Commission Rules and Regulations.

Very truly yours,

OIL CONSERVATION COMMISSION
