Attention: Mr. C. F. Taylor

Administrative Order NSL-13

Gentlemen:

Reference is made to your application of June 20, 1955 requesting permission to drill your Manda (NCT-C) Well No. 1, located 680 feet from the North line and 1980 feet from the East line of Section 35, Township 23 South, Range 36 East, NMPM, Lea County, New Mexico, which is an unorthodox well location in the Jalmat Gas Pool and the Langlie-Mattix Oil Pool.

The unorthodox location of the aforementioned well is made necessary by the existence of a family dwelling on what would normally be the standard well location.

By authority granted me under provisions of Rule 3, paragraph 2 of the Special Rules and Regulations for the Jalmat Gas Pool, as set forth in Order R-520, you are hereby authorized to drill your Manda Well No. 1 on the above described unorthodox location.

Very truly yours,

W. B. Macey
Secretary-Director
