13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

We request that this well be carried in a Temporarily Abandoned status. The producing wells on this lease are stripper. Produced salt water is currently being disposed into the Ingram O State SWD. If this well failed mechanical integrity, a new disposal well would be needed. This well could fill that role.
