CHECK APPROPRIATE DOWN TO WAR	Lea County, NM
CHECK APPROPRIATE BOX(s) TO INDICATE NATURE O	OF NOTICE, REPORT, OR OTHER DATA
TYPE OF SUBMISSION	TYPE OF ACTION
Notice of Intent	Change of Plans
Recompletion	New Construction
Subsequent Report Plugging Back	Non-Routine Fracturing
Casing Repair	W 55 - OF
Tinal About 1 191	Water Shut-Off
Final Abandonment Notice Altering Casing DOWN Ho	
Final Abandonment Notice Altering Casing Other Other Describe Proposed or Completed Operations (Clearly state all pertinent deaths and single-state and sing	Ole Commingle Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)
Final Abandonment Notice Altering Casing Other Other	Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Final Abandonment Notice Altering Casing Other Other Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including subsurface locations and measured and true vertical depths for all markers and zones pertinent to	Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Asserted)	Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assigned Attachment for details	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details	Ole Commingle Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Pescribe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including sive subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assise Attachment for details	Ole Commingle Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incligive subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisse Attachment for details	Conversion to Injection Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)*
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, incling give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assiste Attachment for details See Attachment for details Thereby costify that the foregoing is true and correct Signed Tubb (Assisted Attachment Forder) Division Prod	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.) luding estimated date of starting any proposed work. If well is directionally drilled, to this work.)* Soc) and Cline Lower Paddock/Blinebry.
Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, inclining give subsurface locations and measured and true vertical depths for all markers and zones pertinent to Request for down hole commingling of Cline Tubb (Assisted Attachment for details See Attachment for details hereby costify that the foregoing is true and correct	Ole Commingle Dispose Water (Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)
