Gentlemen:

Please refer to our report of March 7, "Notice of Intention to Test Casing Shut-Off" and report of March 10, "Report on Result of Test of Casing Shut-Off".

We erroneously listed the lease name on these two reports as "Harrison No. 4" and they should have been Woolworth No. 4. Will you please change your records. We are changing our copies to show the correct lease name.

Yours very truly,

CULBERTSON & IRWIN, INC.
