

This form is to be filed with the appropriate Field Office of the Commission not later than 20 _____ after the completion of any newly-drilled or reworked well. It shall be accompanied by a copy of all electric and radioactivity logs run on _____ well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 10 through 34 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.
